3. After practice, you need to arrange for your own ride home.
4. If you are playing in a meet, we will always provide transportation back to Bradford.

## **Weather**

1. We often practice and have meets in the rain. Be prepared! Umbrellas, rain gear, and extra gloves and socks will be needed.
2. For the cold, have the following things in your bag: winter hat, mittens, sweatshirt/jacket.

## **Storage of Equipment**

1. If you do not have a car to store your clubs in you have two options:
  - *Leave them in a teammates car who will be at practice the next day*
