Under the State of Wisconsin program, public high school juniors and seniors may apply to take college or technical college courses for both high school and college credit. Books and tuition for APPROVED courses will be paid by the Kenosha Unified School District NO. 1. Books must be returned to the District when the course is completed.

To participate in this program, students must complete an application during the semester prior to enrollment. The deadlines are March 1 for the fall semester and October 1 for the spring semester. The student must meet the admission requirements set by participating colleges. Students may select from a wide-range of courses. However, if a Kenosha Unified School District No. 1 high school offers an Advanced Placement class in a particular subject or a comparable Honors or Regular level course, the District will not pay for an equivalent Youth Options Program course.

**Carthage College Requirements**

- 2.0 in a recalculated cumulative grade point average (English, Math, Social Studies, Lab Science, and Foreign Language)
- Eligible students may take up to 11 college credits per semester. No more than 18 college credits within high school career.
