

ACT Aspire is coming soon for 9th and 10th graders!

ACT Aspire™ is a state mandated test for all 9th and 10th graders in WI that measures what students have learned in the areas of: English, Reading, Math, Science, and Writing. It is an online assessment that predicts how a student will perform on both the ACT and ACT WorkKeys when they reach 11th grade. Families receive their student's Aspire report in August to help them know how their student is progressing and what additional supports may be helpful.

This year, Bradford will begin Aspire testing one week after Spring Break, with the majority of testing occurring between April 16th through April 26th. If you have any questions, please call at 262.359.6200.
