

Hey Bradford Freshmen!

It's time for:

Reality Check!

Wednesday, March 22, 2017

**Presented by Educator's Credit Union &
Bradford High School**

Imagine what it will be like once you're on your own. What kind of job will you have? Will you buy a car? Where will you live? Will you own a pet? What kinds of things will you do on your free-time? *Remember, it's your life, you can do whatever you want . . . OR CAN YOU?*

Students are assigned a "life situation" and will learn how to pay bills and see what it cost to support themselves and a fictional family. We are looking forward to this interesting, informative, fun activity! Every first time freshman and selected upper classmen will get a "reality check" during 1st or 2nd semester.
