ATTENTION: Parents/Guardians - Important Information
There will be no cost for any summer school courses offered.

Summer School Physical Education/Health (only) operates just as it does during the regular school year - on a semester basis; each summer school session equal to a semester; and one-half (1/2) credit earned for Summer School courses successfully completed. Because one (1) day’s absence is roughly equivalent to a whole week’s work during the regular school year, absences are very detrimental to progress in Summer School. Consequently, a student will be allowed a maximum of only two (2) days’ absence for each Summer School session, whether excused or unexcused. When the third (3rd) absence occurs, the student will be dropped from the course. The only exception to the above is for school-related functions, which result in an absence. Such an absence must be approved in advance by the Summer School principal.
